Adventa Learning American Government Study

Government : Origins : Section One : Political Foundations of American Democracy. Many of the ideas that were used in creating the American system of democracy came from a political philosopher named John Locke (1632 - 1704). Locke believed in the concept of natural law - that there were laws in nature that must be followed.

According to the University of Texas at Arlington, U.S. citizens study government to become informed voters, to understand their Constitutional rights, to know their responsibilities under the law and to think about how processes can be improved to benefit society. Students typically start learning about the government in elementary school.

What Are Four Reasons We Study Government?

The Antifederalists believed that the Constitution was harmful to the lower class. They felt that the document gave too much power to the central government, which would be run by the elite, and took power away from the state governments. They felt this shift in power would harm the individual liberties of American citizens.
