The American Petroleum Institute (API) is the only national trade association that represents all aspects of America's oil and natural gas industry. Our more than 600 corporate members, from the

Acces PDF Api Rp 90

largest major oil company to the smallest of independents, come from all segments of the industry.

API

API provides the public with online access to nearly 200 key industry standards. These standards cover all aspects of the oil and gas industry,

Acces PDF Api Rp 90

including refinery and chemical plant operations and equipment, offshore drilling, hydraulic fracturing and well construction, and public awareness programs.

API | Training

The certification term for API 580 Risked Based Inspection is three years. At this

Acces PDF Api Rp 90

time, employment verification is not required to recertify. You may apply for recertification 90 days prior to the certification expiration date. Apply online in the ICP Portal. API also allows a 90-day grace period for submitting a recertification application.
