All worksheets are 7 questions long, and cover all the letter sounds of the alphabet, including combinatorial letter sounds (CH, GH, OU, PH, SH, TH). We think this length is proper as it provides enough practice that it establishes an understanding of the material yet is not so lengthy that it becomes redundant or boring.

Phonics Worksheets - EnglishForEveryone.org

Then it becomes a meaningless practice that the students and teacher are just participating in during class. To be successful, the children need to be immersed in a strong systematic approach and there should be progress monitoring to see if there is growth or not. I understand that it is boring and tedious, but I feel that it is necessary.
