Communities Dandelions in a lawn 3.1 COMMUNITIES 65 Life in a Community Look closely at a square meter of healthy, green lawn and you will dis-cover that, hidden in the grass population, there are also populations of weeds, beetles and other insects, earthworms, and grubs. There may also

Chapter 3: Communities and Biomes - Glencoe

Approximately three-quarters of Earth's surface is covered by aquatic biomes, and the vast majority of these are marine communities. Terrestrial Biomes. Terrestrial biomes include tundra, taiga, desert, grassland, deciduous forest, and temperate and tropical rain forests. Latitude influences the angle at which the sun reaches Earth and is a strong factor in determining what a particular biome is like.
