Contagious Infected 2 Scott Sigler

Following up on last year's "Infected," "Contagious" is both a sequel and an expansion of Scott Sigler's twisted universe where an alien virus is trying to take over the planet. "Infected" kept the stakes fairly limited--following the traumatic infection and steps taken by Perry Dawsey to "cure" himself.

Contagious (Infected, #2) by Scott Sigler

Contagious is the second book in the Infected series. The story picks up right where it left off at the end of Infected. Perry, Dew, Margaret, and Murray are in a race to find the alien gates and destroy them before they activate. Every time they think they have the situation under control the "hatchlings " one up them.

Contagious: Infected Book 2 by Sigler, Scott - Amazon.ae

Scott Sigler's Contagious is the continuation of the story from Infected. Unfortunately, while I found the medical and scientific aspects just as fascinating as before, the characters definitely took a nose-dive. Dr. Margaret Montoya and Agent Clarence Otto, in particular, went from being unusually interesting characters straight to stereotype-land.

Contagious (Infected, #2) by Scott Sigler All of these contribute to my perfect rating! Dustin Climer gets religion, while the Murray vs. Contagious is a truly grand work of suspense, science, and horror from a new master. The infection is evolving, getting smarter, getting more violent and is completely bent on contagiou world domination.
