What is Transhumanism? <https://whatistranshumanism.org>. Transhumanism is a way of thinking about the future that is based on the premise that the human species in its current form does not represent the end of our development but rather a comparatively early phase.. Transhumanism is a loosely defined movement that has developed gradually over the past two decades.

What is Transhumanism?

Contemporary proponents of "rational suicide" or the "right to die" usually demand by "rationality" that the decision to kill oneself be both the autonomous choice of the agent (i.e., not due to the physician or the family pressuring them to "do the right thing" and commit suicide) and a "best option under the circumstances" choice desired by ...

Right to die - Wikipedia

In death as in life, I defy the Jews who caused this last war, and I defy the power of darkness which they represent. I warn the British people against the crushing imperialism of the Soviet Union. May Britain be great once again and the hour of the greatest danger in the West may the standard be raised from the dust, crowned with the words ...
