The majority of teenagers face low self-esteem at some point during adolescence, but several aspects of our environment, as well as the media, has gradually increased feelings of low self esteem. What makes this so concerning is the way our youth copes with these feelings.

## **Self Image Essay - 403 Words**

This essay was very persuasive and was excellently put together. The author very wisely relates to the audience in way that makes anyone who reads this, including myself, feel as if we were walking in the shoes of a tourist and imagining ourselves in that situation or thinking back to a time where that may have happened to us.
