Lab Aids Answers

Lab-Aids exclusively publishes core science curriculum developed by research-based institutions. This results in thoughtful midlevel and high school programs guided by extensive research in science education, rather than a textbook product. Learn more about our development partners and the evidence of the impact of our programs.

Lab Aids | Science Kits and Materials for Middle School ...

In 2014 Lab-Aids used the EQuIP rubrics to evaluate our own programs to see where we were already meeting and where we needed to improve. View the EQuIP. PD on your schedule.
