Enter Login information (the information you provided during the installation) You may click _ on the space and then simply select sys the password will be prompted automatically. (Note, sys [is Application Express Username such as Database Administer.

Installation Guide for Oracle 11g Express Edition (APEX)

The main task is to switch the public synonyms and grants to point at the previous schema instead of the APEX_040200 schema. The exact steps are outlined in the Oracle Application Express Installation Guide, Appendix A: Oracle Application Express Troubleshooting section. It is also important to remove the APEX_040200 schema once tests running on the prior release are successful.
