NCPA is suing the government to end DIR fees. Doing so has been our top priority since 2014. We tried every year of the outgoing administration to persuade the Department of Health and Human Services to adopt new rules to remedy the problem. That effort nearly succeeded in 2019, only to have it die because of opposition from the White House.

NCPA - National Community Pharmacists Association

Section 101 of NEPA sets forth a national policy "to use all practicable means and measures, including financial and technical assistance, in a manner calculated to foster and promote the general welfare, to create and maintain conditions under which man and nature can exist in productive harmony, and fulfill the social, economic, and other requirements of present and future generations of ...
