Positive Lives: Responses to HIV - Warwick Arts Centre

The initial global response to HIV
focussed on prevention through
behaviour change and research into a
vaccine. However, it became clear that
knowledge of transmission was not
enough to stop the epidemic. In the
mid-2000s, the global response
accelerated rapidly with universal access

The Director's Archive: Positive Lives - Responses to HIV, 1994 Posted Thursday 14th April 2016 Throughout its 50 year history, Modern Art Oxford has presented a programme which has showed an ongoing interest in socially-engaged artistic practices and, to greater and lesser degrees, exhibitions that deal with complex social and political concerns of the moment.

Blog

Australia's early response to HIV and AIDS is widely recognised as being one of the best in the world. Following the identification of HIV and AIDS in Australia in 1982, federal and state governments responded proactively.

A. The life of the churches: responses to the challenge of HIV/AIDS . We ask the churches to provide a climate of love, acceptance and support for those who are vulnerable to, or affected by, HIV/AIDS. We ask the churches to reflect together on the theological basis for their response to the challenges posed by HIV/AIDS.
