"[Secular Powers] will be of great interest in those dealing with the nature and development of early modern political thought. . . . Cooper's book, with its focus on the secular critique of pride initialised by Thomas Hobbes and continued by such thinkers as Spinoza and Jean-Jacques Rousseau, hopes to offer an alternative way to understanding the development of that thought."

Secular Powers: Humility in Modern Political Thought, Cooper

Secularism is usually thought to contain the project of self-deification, in which humans attack God's authority in order to take his place, freed from all constraints. Julie E. Cooper overturns this conception through an incisive analysis of the early modern justifications for secular politics. Whi...
