Postcolonialism is the critical academic study of the cultural legacy of colonialism and imperialism, focusing on the human consequences of the control and exploitation of colonized people and their lands. More specifically, it is a critical theory analysis of the history, culture, literature, and discourse of (usually European) imperial power. ...

Postcolonialism - Wikipedia

This course offers a comparative survey of archaeological approaches to ritual practice as it relates to identity politics, personhood, and the negotiation of power relations in past societies. An important goal of the seminar is to introduce students to social theories on the inherent materiality of ritual performance, whether orchestrated in ...

Cultural policy is the government actions, laws and programs that regulate, protect, encourage and financially (or otherwise) support activities related to the arts and creative sectors, such as painting, sculpture, music, dance, literature, and filmmaking, among others and culture, which may involve activities related to language, heritage and diversity.

Cultural policy - Wikipedia

In settler-colonies such as Canada, Australia, New Zealand and the United States, the historical impacts of colonisation on the health, social, economic and cultural experiences of Indigenous peoples are well documented. However, despite being a commonly deployed trope, there has been scant attention paid to precisely how colonial processes contribute to contemporary disparities in health ...
