This unit focuses on the legislative branch of government and politics. Students begin with a review of the principles of enumerated powers, popular sovereignty, checks and balances, separation of powers, republicanism, and bicameralism. They explore how these principles are reflected in the provisions of Article I of the U.S. Constitution.

Atlas - Unit 3: The Legislative Branch and Politics

Unit 3 covers the Legislative Branch. The legislative branch plays a variety of important roles in governing communities, states, and the nation. At each level of government, the legislative branch represents the interests of the voters and should reflect the makeup of the population it serves.
